With few exceptions, all Corte Madera residents who are registered voters of the Town are eligible to apply for appointment.

The **Planning Commission** is a vital component of our community. It is a five member body to oversee the Town's planning process. Currently the two-year terms of two (2) Commissioners will expire on June 30, 2019. Much of the Commission's time is devoted to reviewing permit applications for home remodels and additions. The Commission works to balance the needs of individual families for more living space with the need to protect neighborhood character. The Planning Commission also works on longer range issues. The Commission meets on the 2nd and 4th Tuesday of each month at 7:00 p.m., with occasional study sessions scheduled as needed.

The **Parks and Recreation Commission** is an advisory board that recommends policy and procedures for parks and recreational facilities, recreation programs, park development and park maintenance. The two-year terms of four (4) Commissioners are expiring on June 30, 2019. Meetings are held on the 4th Monday of each month at 6:30 p.m.

The **Flood Control Board** advises the Town Council on all matters affecting flooding in Corte Madera. Examples of duties of the board are to review and report on the flooding impact of current and proposed flood control and storm drain projects, and to review and report on flood management plans in order to define what actions are necessary to reduce flood conditions in the Town. The two-year terms of three (3) Board members are expiring on June 30, 2019. Meetings are held bi-monthly on the 2nd Monday of each even month at 6:30 p.m.

Town of Corte Madera Representative to the Marin/Sonoma Mosquito & Vector Abatement District (2-year term, currently vacant) The main purpose of the Board of Trustees of the MSMVCD is to organize and carry out an effective mosquito and vector control program and to develop a budget adequate to staff and support the program. This seat is currently vacant and preference for the appointment will be given to a person with strong interest in the prevention, elimination or control of mosquitoes and other arthropods known to be potential carriers of infectious diseases, or presenting a public nuisance. The Board of Trustees meets on the second Wednesday of the month at 7:00 p.m. at District

Headquarters, 595 Helman Lane, Cotati, CA.

If you are interested in serving on one or more commissions or boards, you may obtain an application from Town Offices at 300 Tamalpais Drive, Corte Madera, CA 94925 between the hours of 8a.m.-12:00p.m. and 1:00p.m.-4:00p.m., on the website at <http://townofcortemadera.org/494/Commission-or-Committee-Appointment>, by calling 415-927-5085 or via email at rvaughn@tcmmail.org.

Bayside Blooms

Marin County Parks invites you on a beautiful floral walk. This is one of the best wildflower displays in the Bay Area. The fantastic floral diversity makes this what Marin County Parks calls "A Spring Classic". In addition to the many rare species you will find, there are often expanses of goldfields, tidy tips, and other early bloomers; a multi-colored carpet providing a foreground for spectacular views of the entire bay. Remember to bring binoculars, if you have them.

Rain may cancel this event. If the weather is questionable, call (415)893-9527 after 8AM on the morning of the event to hear a recorded message if cancelled. They request no pets (except service animals) attend.

No registration is required. The event will be held on Thursday, April 4th from 10AM to 2PM at the Ring Mountain Preserve. For directions to the location and details on proper attire and more, [please click here](#).
