¹ A fee collected as a "Plan Review Deposit" is estimated to cover the cost of Building Division plan review services for a particular category of work. Total costs that are higher than the "Plan Review Deposit" may occur due to the need for consultant review services, complex plan review requirements, or due to review activities conducted by other Town agencies as stipulated in the fee resolutions and/or policies of such agencies. "Plan Review Deposit" payments that exceed the total cost of plan review services will be adjusted and overpayments will be refunded to the applicant.
