November 5, 2015

The Town of Corte Madera Planning Department will be kicking off the Tamal Vista East Corridor Study with a community workshop on November 18<sup>th</sup> from 6:00 – 8:00pm at the Corte Madera Community Center, 498 Tamalpais Drive.

The workshop will provide attendees with information about the study – why we are undertaking it, what the community outreach and study process will look like moving forward, and what we hope to accomplish – and an initial opportunity to discuss the current conditions along Tamal Vista Boulevard between Madera Boulevard and Wornum Drive.

If you are unable to attend on the 18<sup>th</sup>, there will be several additional opportunities to participate and provide input at upcoming outreach meetings and events in December and January, and throughout 2016. Additionally, we are developing a Frequently Asked Questions document that will help provide some of the same information we will present at the upcoming meeting. The attached flyer and all information about this study moving forward can be obtained by accessing the following link: <http://townofcortemadera.org/579/Tamal-Vista-Corridor-Study>

I look forward to seeing you all there to begin the discussion about the future of Tamal Vista Boulevard.

Best,

Adam Wolff

Director of Planning and Building
