## Community Workshop 1/30/20 - Town Hall Remodel & Addition Project

### Community Workshop - Town Hall Remodel and Addition Project

The Town of Corte Madera is in the beginning stages of creating a more resilient, functional, and inviting Town Hall that will be a community asset for the Town's next 100 years. Please join Town staff and other Corte Madera community members on **Thursday, January 30 from 6pm-8pm at the Corte Madera Community Center at 498 Tamalpais Drive** for an opportunity to learn more about this important Town project and to help determine the facility's size, character, and community amenities.

A draft agenda of the Community Workshop as well as additional project information is available on the Town's webpage for this project at <https://www.townofcortemadera.org/867/Town-Hall-Project>.

Following this workshop, community feedback will be summarized and a preliminary project design will be presented to the public and Town of Corte Madera Planning Commission, at its February 25, 2020 meeting (tentative date).
