Dear Residents,

The Central Marin Fire Department has been in continuous contact with the Marin County Health and Human Services Department regarding the current state of the COVID-19 health crisis, and more importantly on what are the best practices during the Shelter at Home Order. As you are aware certain activities have been allowed to continue, as long as social distances of 6 feet or greater are maintained.

The County urges non-essential outdoor services to be deferred to minimize risk of transmission. However, there are some outdoor services that would be considered essential and are permitted under this Order, **including fire reduction work, maintaining growth along curbs and medians in order to ensure visibility along roadways**, minimum basic operations necessary to maintain the value of a business, and other tasks that are essential to the health and safety of the public.

The Central Marin Fire Department, Town of Corte Madera, and City of Larkspur will continue its vegetation management and hazardous fuels reduction projects along our **PRIMARY** and **SECONDARY** evacuation routes while maintaining social distances.

Please do not hesitate to contact me at 628-600-9988 if you have any questions.

Respectfully,

Ruben Martin
Fire Marshal
