Dear Residents,

The Central Marin Fire Department, in an effort to continue to reduce the fire risk that exists within Corte Madera is continuing our **Primary** and **Secondary** route fuels reduction projects during the COVID-19 Shelter at Home Order. We have identified 2 eucalyptus and 3 cypress trees located along the roadway fronting 455 Chapman Drive that have been determined to be a fire and fall hazard that endangers the safety of the public.

This letter is to notify you that on Tuesday April 07, 2020 Central Marin Fire Department, with the assistance of a private contractor, will be removing the trees.

If you have any questions regarding this project, please contact us at 628-600-9988.

Respectfully,

Ruben Martin
Fire Marshal
