

The Giving Tree

November 7-23, 2022

**Recognize people who make a difference to others
by adding their names to the "GIVING TREE".**

**Staff will add completed leaves to the Giving Tree display
in the front windows of the Community Center.**

**Stop by the Community Center and fill out a fall leaf with
a name and/or few lines describing how they make a
difference or why you are grateful for the person or
group. You can also email submissions to
