BY MY SIGNATURE BELOW, AND AS NOTATED WITHIN THIS DECLARATION, I CERTIFY TO EACH OF THE FOLLOWING:

(1) that the permit(s) associated with this application are to be issued in the name of the LICENSED CONTRACTOR (or) PROPERTY OWNER as the permit holder of record who will be liable for the construction; (2) that I am a California Licensed Contractor (or) the Property Owner (or) authorized to act on the Property Owner's behalf; (3) that I understand that plans submitted to the Town of Corte Madera for review are assumed to be finished construction documents and that in cases where plans and/or documents are incomplete, or do not indicate compliance with required code and ordinance provisions, a plan review correction report will be issued by the Building Department as well as by other agencies of the Town of Corte Madera responsible for project review; (4) that the plan review fee paid at the time of initial document submittal is a deposit that is designed to cover the cost of the Building Department's initial plan review and first re-review of submitted application materials and that additional fees may be assessed due to the need for consultant review services; (5) that plan review activities conducted by other Town of Corte Madera agencies may result in the assessment of additional fees as stipulated in the policies and procedures of such agencies; (6) that projects that exceed \$10,000 in valuation will be assessed a Street Impact Fee equal to 1% of the project valuation at the time of permit issuance; (7) that I have entered, and reviewed, the information contained in this permit application and that said information is accurate and complete to the best of my knowledge. I further affirm and understand that this application will expire by limitation if a permit has not been issued within 180 days of the date of application and agree to comply with all applicable city and county ordinances and state laws relating to building construction and hereby authorize representatives of this city or county to enter the above-identified property for inspection purposes.
