## Garbage Rate Hearing Scheduled for June 6, 2023 Town Council Meeting

The Corte Madera Town Council will hold a public hearing on June 6, 2023 in order to consider the adoption of an increase to garbage fees charged by Mill Valley Refuse Service (MVRS). The proposed rate sheets and residential and commercial terms and conditions are included with the [Public Hearing notice](#), and the proposed Rate Application, including a Review of the MVRS Application conducted by R3 Consulting, Inc. can be viewed in full [here](#).

The nine jurisdictions who contract for refuse service through MVRS engaged the services of a third-party consultant, R3 Consulting Group, Inc., to conduct a formal review and evaluation of MVRS's rate increase application. R3 concluded that the basis for MVRS's request required adjustments for residential services, projections of 2023-24 commercial rate revenues and the migration impact on the rate. R3 adjusted MVRS's requested rate increase from 4.31% to the newly proposed 5.11% after taking into account R3's recommended corrections.

A staff report for this item will be published with the meeting agenda packet by Friday, June 2, 2023. The agenda information can be found in the Town's Agenda Center on our website:
